

LIECHTENSTEIN

# One Country. One Trail.

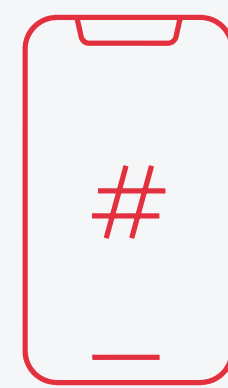

In my job, I have been and still am travelling all over the world. And even though I love getting to know countries, people and cultures, I can best relax at home in Liechtenstein. Whether it's a morning ski tour in Malbun covered in deep snow, a discovery tour on the Liechtenstein Trail or an evening hike on the Alpspitz.

## The Liechtenstein Trail...

Can be experienced with the free Listory app, which allows you to immerse yourself in the history of the Principality.

Connects all eleven towns in the country over a distance of 75 kilometres.

Can also be experienced by e-bike in 3 days.

Can be hiked in summer as well as in winter in 5 day stages.
